

**Please note:**

Over the coming months the FAAA Education team will be migrating FAAA Continuing Professional Development and the CFP® Certification Program from FAAA Learn to a new Learning Management System provider.

At the same time, CFP Program content will be undergoing a review to ensure it aligns with the new Global Financial Planner Competency Profile released by the Financial Planning Standards Board (FPSB). For these reasons the decision has been made not to offer a summer semester certification unit this year. We want to ensure that we continue to maintain our high standard of program delivery and will not be able to do this as we transition between systems.

If you have any questions about this change, please get in touch with the Education team by email at [education@faaa.au](mailto:education@faaa.au).

Please note that from 1 February, 2023, CFP units 2 to 4 will no longer be offered in their traditional semester based format. These will instead be offered as modular on-demand self paced units with a multiple choice and short answer assessment format. Students will be able to complete these at their own pace pending RPL and then proceed to the CFP Certification Unit. If you have questions about delivery of these units please contact the Education team by email at [education@faaa.au](mailto:education@faaa.au).
