The Hon Dr Daniel Mulino MP
Assistant Treasurer, Minister for Financial Services

Dear Minister,

Consultation – Access to super for victims of child sexual abuse draft legislation

The Financial Advice Association of Australia (FAAA) is the leading professional association for financial advice professionals.

We support the work the Government is doing to draft law to help victims and survivors of child sexual abuse to access the offender's super for court-ordered compensation payments.

We will not be lodging a submission on the draft legislation as it falls outside our area of specialisation.

Yours sincerely,

Phil Anderson
